Cinnamal (Cinnamic Aldehyde)	104-55-2	Restricted - Cat. 4 limit applies	COMPLIANT
All other ingredients	Various	No IFRA restriction at use level	COMPLIANT

PROHIBITED MATERIALS

This product contains no IFRA prohibited materials. No nitromusks, no oakmoss (Evernia prunastri) above permitted limits, no treemoss (Evernia furfuracea) above permitted limits, and no other IFRA prohibited substances.

COMPLIANCE DECLARATION

Scent Room hereby declares that the fragrance compound used in Scent Room The Hope Extrait de Parfum (SR-EDP-THE-HOPE-100ML) has been assessed against the IFRA 51st Amendment for Category 4 (Fine Fragrance, leave-on skin application). All restricted fragrance ingredients are used within their permitted limits for the applicable category and usage level. This product contains no IFRA prohibited substances. This declaration is made on the basis of internal assessment by Scent Room based on full knowledge of the proprietary formulation.

AUTHORISATION

Field	Detail
Authorised By	Ray Breslin, Director
Company	Scent Room

Date	August 2026
------	-------------

Signature:

A handwritten signature in black ink, featuring a large, stylized 'R' and 'S' that are intertwined, with several horizontal strokes extending from the base of the letters.

This certificate is valid for the formulation and usage level as described. Any change to the formula, product type, or application method requires reassessment. IFRA standards are updated periodically and this certificate should be reviewed annually. Full formulation details are retained on file and available to regulatory authorities upon request.
